SPRING 94

IN THE SUMMER OF HIS YEARS . . .

John Fitzgerald Kennedy, 35th President of the United States (1917-1963)

John F. Kennedy was the first President with whom our class could closely associate itself. As freshmen, we observed the nomination, campaign, and election of this fine man. In our high school auditorium, we watched his inauguration; and ironically, three years later we were informed there, of his assassination.

His outstanding record of service to the United States of America is a fine example to all of us.

Therefore, we, the Reflector Staff of 1964, thought it fitting that we dedicate this edition of our yearbook to the memory of our late President.

THROUGH THE SEASONS

Greetings to You:

Education grows from deep roots in our American heritage. I would challenge you to recognize the potentiality of education and that your own education never really ends.

Even though we may have reached the goal of graduation, we shall continue to have many educational experiences and opportunities. He who takes advantage of these and learns, shall be successful.

Through education there is promise and hope for the advancement of all mankind. Ours is a constantly changing world. Dynamic and epochal changes have come to be accepted as commonplace. Amid these world shaking developments, we look to education to give us the wisdom, the understanding, and the know-how, to meet the challenges of our day.

The ideals of our education do not change but our methods of realizing them do change. It is our hope that we have given to you while you have been a student at Ferndale-Dale High School, not only the basic tools with which to learn, but also a genuine desire to learn.

Further, I would challenge you to put your learning to use in lives that are morally, physically, socially, and spiritually sound.

Sincerely,

Elmer J. Berkebile

ADMINISTRATION

This year the administration has done an efficient and praiseworthy job. In his second year as supervising principal, Mr. Berkebile once again proved to be a devoted and able leader of our school system. He has rightfully earned the respect of all. Dr. Russell Grumling, assistant supervising principal, is very helpful to our administration. Working with our supervising principal, Dr. Grumling has been a valuable asset in solving the problems of the Ferndale-Dale school system. Mr. Colbert Varner has done a fine job as principal of Ferndale-Dale High School. This year being his second year at Ferndale, Mr. Varner is admired by the students for the loyalty and dedication with which he governs our school. Mr. Richard Rodgers is serving as principal of Dale Junior High School. He is very interested and active in his duties which make him a competent leader of the Dale Junior High. Our secretaries, Mrs. Emma Koerber, Miss Sandy Merberger, and Miss Pat Killinger, deserve the best of congratulations on a job well done in assisting the administration of our school system.

FERNDALE-DALE JOINT SCHOOL BOARD

The efficiency with which the Joint Board of Directors governs our school does not change with the seasons. When they are elected in the fall of the year, they immediately start organizing and taking charge of school affairs. Throughout the fall and winter they are ready to face any problems that may occur and are always using their initiative and leadership to improve our school system. With the arrival of spring is graduation; our school board lends a helping hand in preparing for that memorable day in our lives. Spring also means the closing of school and many of us sit back to enjoy a long summer vacation. But the school board continues working with Summer School and preparing for the opening of school in the fall. This year the school boárd, under the leadership of Mr. Harry Hamilton, has done a fine job worthy of our thanks and appreciation.

HUMIDITY

At some schools the last day is a sign for a period of rest, but at Ferndale-Dale it's a signal for the beginning of summer school.

This year there was an enrollment of 543 students—more than any previous year. Some classes had to be held in the teachers' room and girls' locker room in order to accommodate the large number of pupils. Students came from all over the area and two were from Florida. Some of the schools represented were: Richland, Ligonier, Jen-

ners-Boswell, Westmont, and several private prep schools. Teachers came from many area schools, too.

Much was accomplished in the classes, along with the making of new acquaintances and meeting new teachers. Ten students were able to receive their diplomas from their respective high schools as a result of this program.

It is hoped that Ferndale-Dale can continue this successful summer school program in the future.

IN VICTORY OR DEFEAT

The best record yet under Coach Hyland was the reward of the Stinger Football Squad of 1963. Although losing two games, both to district powerhouses, and tying one, the team's six wins were more than enough to make the season a success.

Camp Sequanota in Jennerstown was the scene of this year's pre-season football camp. Assisted by Coaches Hershberger and Matsko, Coach Hyland worked the squad into a well-polished unit.

Mike McCall—Co-captain, Bob Rokita—Captain, and Dick Apple Co-captain talk over their "Strategy" for their next game with Coach Hyland.

Highlights of the season were a 14-12 victory over Windber, in a game where many people thought the Jackets were playing out of their class, a 20-7 win over Conemaugh Township, the Indians' only loss, and a 20-19 victory over the Richland Rams. In the Richland game, the Jackets were trailing 19-6 late in the final period. At that point injured quarterback Mike McCall came off the bench to hurl two touchdown passes to Dick Apple; and Bob Rokita kicked two extra points to gain the thrilling win.

We wish to thank the team and coaching staff for presenting a very memorable season to the loyal student body and all the followers of the Stingers this year. We hope that next year's squad can produce an equally good record. We wish them the best of luck in '64.

JUNIOR HIGH

Our Junior High, under the careful guidance of Coaches McKay and Rankin, chalked up the first undefeated Junior High season in the history of the school. They allowed only eighteen points, while rolling over seven opponents. The seven wins this year added to the ten-game winning streak which they will carry into next year's opener. The Junior Jackets have only lost one game under their two fine coaches. That game was a 13-6 loss to Conemaugh Township in 1962, which the Stingers avenged with a 14-0 rout this year.

We hope to be seeing much of our Junior High team in the future at FDHS. With the background they have now, how can they miss?

CHEERLEADERS REFLECT SCHOOL SPIRIT

This year, as in years gone by, the cheerleaders have again proven themselves to be a valuable asset in promoting school spirit. Starting early in the summer, the squad began working for the upcoming football season and school year. They held a bonfire for the opening game in addition to the traditional Westmont bonfire. They also sponsored several morning pep rallies in the grade school playground plus one each weekend before the game. Their artistic ability produced many signs for the halls, and "big" signs for the team.

Led by Captain Ruthie Layton and Co-captain Janice Eastlake, and coached by Mrs. Anderson, the squad took third-place honors in the 20th Annual Cheerleading Contest, with their original "Jackets Unite."

BANDS

Under the leadership of its director, Mr. Volk, the Ferndale-Dale High School Band has proved an asset to our school. Performing at half-time with precision marches and enjoyable music selections, it provided much entertainment. Hard work was put into these shows with practices at band camp, during first period and after school. Also a part of the band, leading it in parades and contributing to the band fund by sponsoring a Majorette Contest, were the high-stepping majorettes. They along with the colorguards also aided the band in half-time shows and various band functions.

Letters were given as rewards to members and the seniors received blazers. Students were also sent to county, district and regional band.

Plans were made for a trip to Winchester, Virginia, in the spring to participate in the Apple Blossom Festival. Raising the money for this trip and practices for competition served as the main projects for the band during the year.

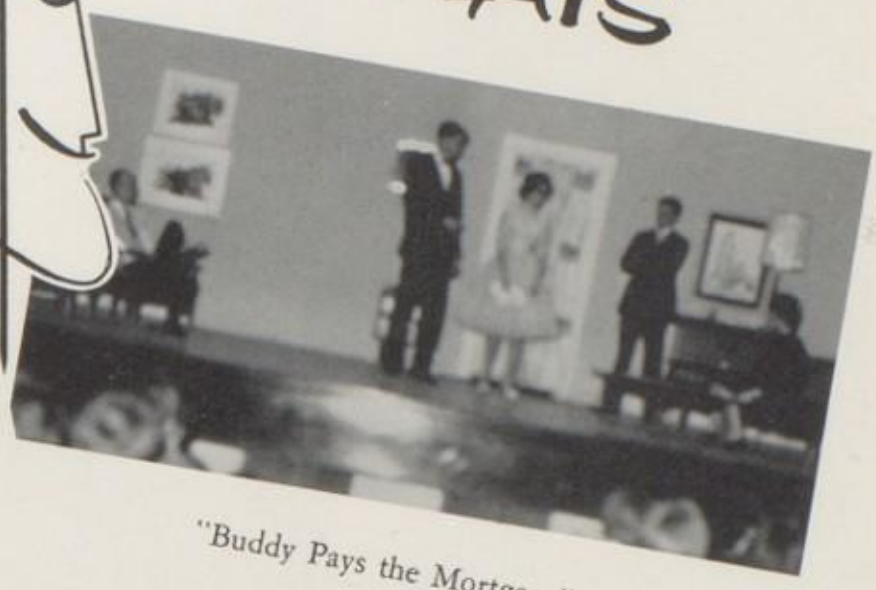
SENIOR PLAYS

"If Men Played Cards As Women Do"



"Buddy Pays the Mortgage"

"Sorry, Wrong Number"

This year the senior class presented three one-act plays. The first play was a farce entitled, "If Men Played Cards As Women Do". It was a story of four men at a card game mimicking the manner in which women gossip. "Sorry, Wrong Number," portraying Linda Clark as the invalid, Mrs. Stevenson, was a drama about a woman who heard her murder being planned over the telephone and tried to get help. The final play starred Fred Thomas. He played Buddy in "Buddy Pays the Mortgage". It was a comedy about a boy trying to keep a goat hidden in the house.

The advisor was Mr. Rich. Bill McGinnis was his assistant. The student directors were Bob Fuge, Karen Smay and Earlene Rabel and Carol Constable was co-ordinator.

The play casts were as follows:

The 1963-64 varsity squad of Coach Rigby experienced a fairly respectable season, ending with a 7-12 chart. Playing in the tough Tri-County League, our boys could only manage a sixth place finish, losing two league games in overtime and three others by margins of five points or less. The Stingers showed that they had what it takes by winning four of their final five games.

Although this past season was not the best, record-wise, it provided the student body with many exciting moments as the team progressed rapidly toward the end of the season. At the conclusion of the season Coach Rigby took his boys to the St. Francis Tournament. Next year's squad should be quite successful as only two players will be lost by graduation.

JUNIOR VARSITY CAGERS

This year's junior varsity, under new head coach Wayne Klaum, had a fairly successful season, winning 7 of 19 games. Probably the high point of the season was their 44-39 win over Johnstown. Near the end of the season, many of the JV's got a chance to see a little varsity action, thus preparing them for the future. Several of these boys have shown real development and should make valuable additions to the varsity next year.

JUNIOR HIGH COURTMEN

COACH WILBERT WEBBER

Coach Wilbert Webber's junior high basketball squad had an over-all record of 7 wins and 12 losses in a season that had its high spots and disappointments. Twin victories over Westmont were the bright spots for the squad who finished in fifth place in the Conemaugh Valley Junior High League with a 5-7 record. Don Mock, Mark Wissinger and Ed McCall were the leaders of the "Junior Jackets" throughout the season. We hope to be seeing a lot of these boys in the future at FDHS.

The 1963-64 wrestling team emerged with a fine 6-3 record, the best ever compiled by any of Ferndale-Dale's mat squads. Several boys ended the season with very good individual records. Larry Varner, the team captain, was tops with an 8-1, while the four other seniors, Carlos Alvarez, Bob Walter, Dennis Baumbaugh, and John Horner also had good seasons and helped the team greatly. The prospects for next year's squad appear excellent as seven of the varsity boys will be returning. The JV's also showed some promising talent. We can be proud of the glory which Coach Matsko's wrestlers brought our school this year and hope that they continue to do as well in future years.

STUDENT COUNCIL

President—Fred Thomas

This year the Student Council has set as a goal the obtaining of a foreign exchange student for Ferndale-Dale next year. With the supervision of Mr. Allison and leadership of Fred Thomas, the organization has seen quite an active year. The council has worked at earning the required seven hundred dollars for the exchange student by sponsoring various activities throughout the year such as, a tug of war, dime day and the selling of shares of stock on Election Day.

The group is comprised of a homeroom representative and alternate. This year students were nominated by their homeroom teacher and then voted on by homeroom members.

COURIER

In keeping with a fine tradition the Courier staff gave to the students of Ferndale-Dale High School very timely editions of our school newspaper. In addition to providing the student with up-to-date news, the Courier staff is to be commended for their well-written, challenging editorials.

We are indebted to Mr. Ficco, the advisor, Sally Claycomb and John Karas, the co-editors, and Linda Fay and John Raysich, the co-associate editors for the great success that the Courier enjoyed this year.

REWARDED

Under the advisement of Mr. Hyland, the Varsity Club has once again experienced a successful year. Comprised of those boys who have earned an athletic letter for participation in one of Ferndale-Dale's various sports, the club has a proud tradition. It serves as a goal for many of our beginners in junior high sports.

This year the F-Club sponsored their annual dance, the Turkey Trot, at which Mimi Ramsey and Mike McCall reigned as queen and king.

Many of the senior members attended luncheons which were served at the Fort Stanwix Hotel. Other projects included the selling of programs at football games, selling refreshments at basketball games and some members served as ushers for the school assemblies. The money made was used to send members to Harrisburg for the Key Club convention.

This year the Pep Club under its new advisor, Mr. Rich and leadership of Pauline Schech has proved that it's becoming one of the most successful clubs in Ferndale-Dale. The main goal of many of the members was to receive the pep club pin awarded to those who attain a certain number of points.

Some of the projects of the organization were to support the teams and cheerleaders by participation in pep assemblies and attending athletic events. Also, the club sponsored a Christmas dance.

This is one of the most popular of our clubs. Our "Nimrods" and "Isaac Waltons" spend much of their club time in learning new regulations pertaining to the various game and fish seasons.

The club has as its main objective good sportsmanship. These boys avail themselves of various opportunities to assist local civic and sportsman's groups in worthy projects.

In keeping with the traditions of the club the girls sponsored activities that were for benevolent purposes.

For those girls interested in some branch of the medical field the Nurses Club serves as a good background. This year with Judy Lehman as president and Mrs. Ling as advisor, the club has completed many successful projects. Some were candy sales, a trip to Ebensburg State Hospital and School and sending Christmas presents to the children there. A senior student nurse talked at one of the club meetings, also.

GYM CLUB

Ferndale-Dale's Gymnastic Club has again this year proved to be one of our very active organizations.

Some of the club's accomplishments during the year were two "play days." This is when gymnastic ideas and stunts are exchanged between schools. The boys competed at Altoona and a few went to competition at State College. Also, as in years before, our gymnasts prepared and sponsored the annual gym show.

Enjoying a very successful first, many of the girls won honors and awards with the group.

Mrs. Anderson, the advisor, is to be commended for the fine progress that these girls have made in making the G.A.A. a "live-wire" organization.

Attention

The sophomore class this year was composed of 146 students. They have contributed to the sports and scholastic programs of the school. Most of them have done their best to make Ferndale-Dale a better school.

The class held the usual sophomore fun night in the high school gym after basketball season.

The other officers and I chose three plays. One of these was presented to the school as the sophomore class assembly. We hope the play proved to be as hilarious as the preceding ones have been.

The ring committee was chosen in February. This committee was made up of ten students including the class officers. Their job was to select the suitable class ring. Mr. Eneix came in March for the committee to make its selection.

The sophomore class hopes that it can carry on the tradition of Ferndale-Dale High School being one of the best schools in the surrounding area.

Fellow Students

The Junior Class of Ferndale-Dale High School, which is the largest class in the history of Ferndale, had a very successful year. This year's class, as every junior class, raised money in order to finance the annual Junior-Senior Prom and Banquet. This fund raising campaign proved very worthwhile and successful. By means of selling magazines, the class was able to raise approximately fifteen hundred dollars.

From this one example the initiative and ambition of the class stands very high. We hope to become one of the greatest senior classes ever to come from Ferndale. With the help of the faculty and administration, we feel that we will be able to accomplish this goal.

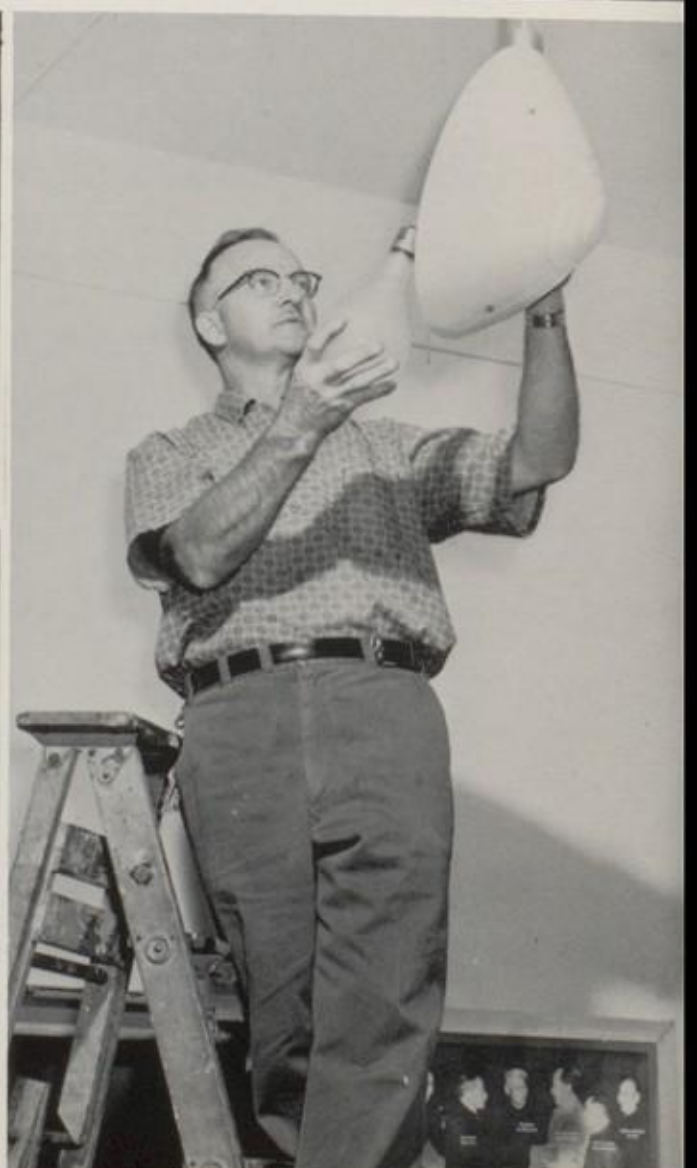
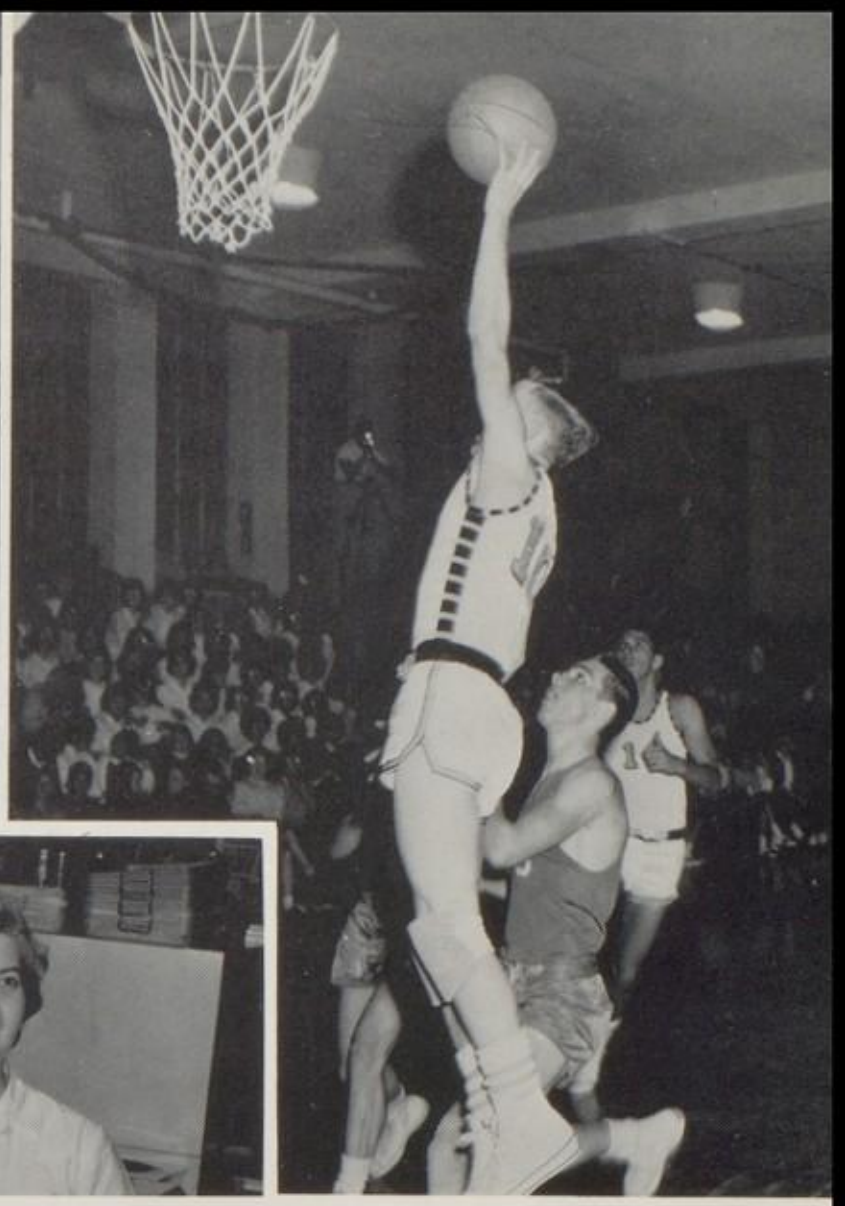
WIN





TER

Mary;

To a real real nice girl who I've known for many many years. Always remember the great times we had together through the years, playing as "kids" in your old wading pool, and with the scooters you brought back from Germany. Then — when we were a "little" older, you remember, you used to help me with my algebra.. (you Mathematician you). And now as "old Hags" we sign each others year books.

Mary, I want to wish you all the luck in the world, because there is now other more deserving person.

I hope you remember the great class of 64 and of course me cause I'll never forget you my dearest neighbor.

God Bless Your every action,

Your Pal Forever

COACH THOMAS PETRORE

BASEBALL,

The Jacket Baseball Squad of 1963 had a fair season, winning four of their ten games. Highlight of the season was an 8-1 win over the Scarlet and Grey of Westmont, the first in more than five years.

With five returning lettermen and seven regulars back from last year's team, this season's squad, under new Head Coach Thomas Petrore, should enjoy a very successful season in 1964.

TRACK,

With thirteen lettermen returning, the 1964 edition of Ferndale-Dale's Track Team should be a very successful one. Under their new head coach Wayne Klaum and assistant coach Wayne McKay; the boys will again compete in many of the area's big meets, including the Coaches Meet, and the District 6 Meet.

Last year Bob Rokita set a new school record in the shotput. We hope that he will keep up the good work and continue to help our squad to victory.

COACH WAYNE KLAUM

BOB ROKITA

The students of Ferndale-Dale should take more interest in this very colorful and exciting sport and support the squad at all the meets.

In the spring, when most young men's thoughts turn to love, an ambitious group of seven boys head toward the links at Sunnehanna Country Club. These boys comprise the golf team of Ferndale-Dale High School.

Having the smallest athletic squad in the school, our boys will enter into competition again this spring. Led by Coach Rigby our team will pit their skills against many area high schools. We wish the team the best of luck this year.

CARLOS ALVAREZ

The gymnastics program in our school has grown until it is one of the more prominent activities at Ferndale-Dale. Coach Rigby initiated this sport eight years ago, and since then he has produced some of the area's finest gymnasts.

Gymnastics can be divided into skills on five types of apparatus —the mats, the rings, the high bar, the parallel bars, and for the first time this year, the side-horse.

This spring four of our gymnasts competed in the state championships. They are: Don Parke, Carlos Alvarez, Bob Walter, and Bob Dickert. We are very proud of these boys and our school's gymnastic program.

Chorus Director
—Mr. Wm. Williams

Improving constantly, our Ferndale-Dale High School Chorus has presented us with various performances throughout the year. Beautiful concerts were given at our annual Thanksgiving, Christmas, and Easter assemblies. In addition to these assemblies, our chorus combined with the Westmont Hilltop Senior High Chorus, sang a concert on March 8. This event was one of the highlights of the year for the group. Also the annual Spring Concert was held and those attending greatly appreciated the program.

Ferndale-Dale was represented at County, District and State Music Festivals by various members of the chorus. Congratulations are in hand for Barbara Geisel, as she was selected for the Regional All-State Chorus Festival.

MOMENTS TO

SENIOR CLASS PRESIDENT
Fred Reinholtz

"That's the best elephant joke I've heard in a long time."

Relaxing after dinner with pleasant company.

The fish and steak were delicious.

Our distinguished guests.

The beginning of a wonderful evening.

REMEMBER IN THE

JUNIOR CLASS PRESIDENT
Ed Petrick

Moments to remember describes our junior-senior prom of last year. Held on Friday, May 10, it followed the traditional pattern of a class dinner at Sunnehanna Country Club with a beautiful dance afterwards. Music was provided by the Intrigues Music Combo. The evening was filled with happiness and excitement and many will recall it as a night worth remembering.

We hated to see the evening come to a close.

A long awaited moment . . .

Arrivals were made with excitement.

Dinner was served as we talked and laughed.

Reflections of an enchanting night.

THE LONG AWAITED DAY

Students of Ferndale-Dale

This year as seniors we have had to put forth an example of determination and hard work for the underclassmen to follow so that in the future at Ferndale our school will continue to stand out as one of the best in the area.

We have been well represented in all sports, and the school has generally compiled a good record. Even if some records aren't to our advantage, school spirit runs high in the class.

The class presented something new by way of three one-act plays for our Senior Play, and all members deserve credit for their efforts.

Through the year our class has achieved the usual goals that classes in the past have; but in our minds, as well as in the minds of the underclassmen, we, somehow, will always seem different and unique.
